

## Erin Public School / L'École Publique d'Erin

STUDENTS, PARENTS AND STAFF WITH PURPOSE

12-01-25

Dear Parents/Guardians,

Many of you will be aware that I am currently in my seventh year as principal of Erin Public School. Administrative assignments are based on a host of variables: the principal preferences, qualifications, experiences, school availability, and community needs.

Today, I shared with our staff that I will be leaving EPS to be principal at Parkinson Centennial Public School in Orangeville, effective Wednesday, February 1, 2012. I realize this is short notification; however, transitioning mid-year is often a preference for principals, given school routines, schedules, and climate is effectively established.

The Board has placed Mr. Amadeo Stolfi as the temporary principal at Erin PS until the end of June, 2012. Mr. Stolfi was past principal at King George and College Avenue Public Schools. He will be meeting with me over the course of the next few days to discuss our school/student success plan, school organization, schedules, and all other school initiatives. Mr. Singh, our Vice-principal will assist Mr. Stolfi through the transition process.

It has been a honor to be the principal of Erin PS. Your children are in very good hands, as the staff at EPS is top-notch and highly committed to providing your child with an outstanding well-rounded education.

The past seven years have passed quickly. Thank you for supporting Erin PS, it's students, staff, School Council, programs, initiatives, and your child's learning endeavors.

It's been a privilege to serve you!

Sincerely,

Mitch Zuk
